

## GOLF DAY

Wall James Chappell held their inaugural Golf day in support of Mary Stevens Hospice on the 18th May 2012 at Blackwell Golf Club. The day was a huge success and over £1000 was raised for the Hospice. The day was attended by local businesses and clients who took part in a four-ball Stableford competition. The team from Muras Baker Jones proved worthy winners on the day. We would like to thank all of those who took part for supporting the firm and Mary Stevens Hospice.

## IT Solutions—WiFi Access for Clients

WJC are now able to offer our clients a free WiFi connection to the internet in our reception area. This means that clients can have access to a free high speed internet connection whilst they wait to see one of our solicitors.

**Robin Bailey, IT Manager at WJC says :** “As more people come to depend on their computers, notepads and phones to make a living, the need for high speed wireless internet access has become increasingly important and essential for some. We recognise the needs of our clients and therefore, see the availability of free access to our WiFi network as an important, if not, vital service to our clients.

## Charity Trustees & Investors Association

As part of our commitment to, and advisors of, the charity sector, we are also proud to be the joint sponsors of the **Charity Trustees & Investors Association (CTIA)**.

The objective of the CTIA is to promote the awareness and knowledge of trustee and investment issues within the third sector. Regular “symposiums” are to be held during which we will present on topical legal issues alongside investment managers from Deutsch Bank, Quilter, Rathbones and Standard Life as well as representatives from Origin Financial.

The next CTIA event is being held on the 9th October 2012. Visit the CTIA website for more details ([www.ctia.org.uk](http://www.ctia.org.uk)) or contact us on 01384 371 622 for further information.

## 2012 Legal Seminars

The firm held the first of a series of seminars dedicated to **start-up businesses**. This seminar was held at Dudley Kingswinford Rugby Club and was aimed at assisting new businesses with legal issues such as business plans, legal structures of businesses, funding, share options, property matters such as leases and freehold properties, tenancy rights and the often feared area of taxation.

The firm also featured in the inaugural Charity Trustees & Investors Association symposium presenting on the legal responsibilities and duties of charity trustees. The symposium was held at Groundwork UK headquarters in Birmingham.

The firm will be holding a **Business Protection and Succession Planning Seminar** on **4th October at Stourbridge Rugby Club** aimed at assisting clients to plan for the future and safeguard the future of their businesses by understanding the importance of financial planning, succession planning and last-ing powers of attorney.
